Miley row over naked pig shoot

ANIMAL rights activists have blasted pop babe Miley Cyrus after the naughty all-grown-up singer posed NAKED with a PIG on a magazine cover.

The *Wrecking Ball* star is caked in what looks like dried mud and is holding her pet pig, Bubba, to hide her tits and fanny.

Miley, 22, appeared on the cover of the pop culture magazine *Paper* to support the Happy Hippy Foundation, which she founded to help raise funds and awareness for homeless and LGBT youth.

But her good cause cuts no ice with pro-pig activists.

Gavin Pierce, of Doncaster-based Save Our Bacon, raged: "Look at the pig! It is clearly terrified.

"A photographic studio is no place for a pig. This is pig exploitation!"

Last year, Miley angered animal rights loons after painting Bubba's toenails bright SCARLET.

Sizzling Irina: I got bullied for being a munter

SUPERMODEL Irina Shayk says she was once bullied for being a MUNTER.

The Russian pin-up is one of the world's hottest women and is currently shacked up with Hollywood actor Bradley Cooper.

But the scorcher, 29, says she was once an ugly duckling who didn't fit in.

She revealed; "I was insecure in my teens. I was tall with dark skin and hair, not the typical blonde Russian.

"But I think the bullying and what I went through just made me stronger and helped me to deal with rejection, which is so common in the modelling world.

"Sometimes, even now, I wake up and think I look horrible.

"And sometimes I see a strong woman. All women have insecurities and bad times – what counts is how you overcome them."

MONDAY

IT'S claimed that Kate Moss was rowdy on an easyJet flight because they ran out of food.

Well, we can all get a bit grouchy when we're hungry – and apparently poor Kate had not eaten since breakfast.

Breakfast, 1997.

TUESDAY

THE so-called naked rambler Stephen Gough appears in court NUDE.

He is thought to be the first defendant in history who demanded the right NOT to have access to briefs.

I'd hate to have been near him when the judge entered and the usher shouted: "All rise!"

WEDNESDAY

THE Nobel Prize-winning scientist Tim Hunt says laboratories should be segregated by gender because women put men off their work.

In other words, he has a problem with test tube babies.

What sexist nonsense. Without lady scientists, who is going to wash up the conical flasks?

THURSDAY

A BRITISH backpacker is jailed in Malaysia for stripping naked on top of a holy mountain.

Locals say pretty Eleanor Hawkins' stunt angered the Gods and triggered an earthquake.

That makes a nice change. When most British lasses get their kit off abroad, it's more likely to cause an eclipse.

FRIDAY

GORGEOUS Gemma Arterton is spotted filming scenes for a zombie flick in Birmingham.

It's a terrifying vision of a future Britain in which human beings are replaced by mindless hunks of flesh whose rasping grunts are understood only by each other.

But enough about Birmingham. I wonder what the film will be like.

SATURDAY

A COPY of the new 50 Shades of Grey book is reportedly stolen, just days before its release.

Police say they hope the culprit will come quietly.

Meanwhile, the publishers of the saucy book have issued an ultimatum: If the thief hands himself in, he'll get 100 lashes. If not, he won't get any at all.

HUBBY CUCKOLDED BY LOOKALIKE P

Having your wif Simon Cowell is sex dwarf doubl

IT'S bad enough when your faithless wife cheats with some immoral scoundrel who holds the institution of marriage in contempt...

It's even worse when the cur who sunders your marital alliance is the spitting image of impresario Simon Cowell...

But surely it's almost too much to bear to be cuckolded by a Cowell-lookalike MIDGET!

That's the torment faced by hardworking Peter Garside, whose dreams of future bliss with wife Rachel have been WRECKED by diddy Graham Harding.

Harding, 52, works as a professional midget Cowell lookalike. And in addition to his publicity and promotion work, Harding has a sleazier string to his bow – appearing in XXX-rated adult movies.

In the past three years, Harding has made almost 40 grumble movies, many of them obliquely Cowell-themed, such as *Midget SeX Factor* and *Britain's Got Tiny Sex People*.

Freaky

But his seamy sideline did not deter Rachel Garside, who carried on a four-month AFFAIR behind hubby Peter's back.

Pete discovered the betrayal after finding Harding's tiny cufflinks next to the marital bed at the home he and Rachel shared in Stockport, Cheshire.

He sobbed last night: "I asked Rachel about these freaky little cufflinks and she confessed the lot.

"She confessed to cheating and then told me the man responsible was a Simon Cowell lookalike – a MIDGET Simon Cowell lookalike, no less!

"That is a blow to any man's confidence and masculinity. When your wife cheats with a miniature facsimile of a publicity

e shagged by bad...but his le? JESUS!

WRECKED: Peter can't believe his wife has left him for a mini-man

hungry dross merchant, you question your very manhood."

But there was worse to come.

Although building contractor Peter was willing to forgive his whorish missus, Rachel said she was leaving – and shacking up with the pixie!

Pete gibbered: "I can just about understand her wanting to sleep with a midget. You know, out of curiosity.

"But wanting to form some sort of normal relationship? It's demented!"

Peter can only assume that it's Harding's wealth that has turned his hairdresser wife's head.

Packet

The mini-man rakes in up to £1,500 per appearance and can command fees of £3,000 per adult movie scene.

He also earns a packet from a string of rental houses in south Manchester and owns a part share in a Manchester city centre butcher.

Harding's dealings have bought him a £400,000 house in posh Bramhall, Cheshire, and a luxury Mercedes which has been specially adapted for his limited stature.

Peter said: "Rachel has left me because this dwarf has more money than me. That makes her little more than a common street prostitute.

"I hope the Good Lord, in his mercy, gives her the AIDS."

Last night, Rachel's Y-reg Ford Focus was parked in the drive of Harding's luxury home. When he answered the door, an aggressive and visibly drunk Harding brandished a whisky bottle, yelling: "This is a private matter – get off my property. You'll hear from my lawyers."

One neighbour, who asked not to be identified for fear of reprisals, said: "He's very nasty and often angry.

"Well, they are, aren't they… that lot."

The real Simon Cowell – who is neither a midget nor a porn star – was in the news last week when Leona Lewis complained about the pressures of working for his record label.

Last June, Simon announced he and Leona had parted company following a decision made by Syco Records not to renew her contract.

In an interview with FAULT Magazine, Leona explained it was her decision to part ways with Simon's label.

Intimate

She said: "I started off at Syco nine years ago when it was a very intimate label, and we did amazing things.

"But then the company blew up and became massive. Then there was pressure. I felt I had to fight a lot. Really, really fight for what I wanted.

"In that process, there are so many people with different opinions, people you need to wait to get answers from, and that weighs on you, especially when you're trying to create something that's totally you and genuine."

Paloma 'sex in park' pair face retrial

A MIDDLE-AGED woman accused of performing oral sex on her boyfriend in the middle of a Radio 2 concert in Hyde Park is facing a retrial.

Waitress Lisanne Beck, 47, allegedly performed a sex act on gardener Simon Murphy, 48, in front of music fans as Paloma Faith (*above*) entertained the crowd.

The Swansea couple were thrown out of the festival amid complaints from shocked bystanders, it is claimed.

The concert was watched by 1.2 million people on TV and featured acts including Jeff Lynne's ELO.

A jury failed to reach verdicts following a two-day trial at the Old Bailey last week.

But on Friday prosecutors announced the couple will face a second trial, starting on August 10.

Beck and Murphy, of Mumbles, Swansea, did not attend the brief hearing, but deny outraging public decency on September 14 last year.

TK Maxx tosser 'soils' T-shirts

A MAN has been arrested after allegedly committing an obscene act in a bargain clothes store.

Police arrested a 27-year-old man on suspicion of outraging public decency after being called to TK Maxx in Trinity Street, Bolton.

Security staff called cops after seeing a shopper allegedly performing a sex act in the store.

A total 10 T-shirts were damaged in the incident, according to insiders.

THE VOICE OF YOUR BRITAIN

Keep country life safe from doping scum

WITH our great land being carpeted with godawful "new-build" estates of "affordable starter homes" and even-worse "5-bedroom executive homes", our nation's countryside is more precious than ever.

Away from the traffic-choked, drug-addled, vomit-splattered, disease-ridden cesspits of our cities beats the true heart of our nation.

Ruddy-faced farmers, hat-wearing matrons on bicycles, babbling brooks, windswept uplands, woodland echoing with the call of the cuckoo.

That is the Britain for which our forebears fought countless wars against sundry garlic-reeling or sausage-scoffing would-be invaders.

So when that idyll is threatened, it is our duty to speak out.

And what could be a greater threat than the doping of sheepdogs with the sex drug "poppers".

Reports that a sheepdog was given this mindbending solvent at the Splint Show – a country gathering in Cumbria – send a shiver down our spines.

This substance belongs in Hi-NRG discotheques and in the gutters of sink estates – NOT at rural sheepdog trials.

Those responsible for this outrage need to be brought to book and face the honest justice of the countryside.

How clever would these malefactors feel at the pointed end of a stone-sharpened scythe?

Cold-callers are poo much trouble

THERE isn't a man among us who has not – in all honesty – thought of shitting in a beggar's hat.

But – out of Christian decency – most of us restrain this urge.

Not young Jake Jackson.

He took it upon himself to empty his bowels into a Birmingham panhandler's headgear.

Jackson is a telesales operative which explains why he acts like some sort of sauage..

Misguided and uncharitable folk see beggars as the dregs of society.

No. The "cold-callers" like Jackson inhabit the lowest order of humanity.

Caught short!

A MAN has been forced to confront the awful fact that his wife cheated with a midget Simon Cowell lookalike.

It's a "please God, NO" from us.

USUAL FOR BRIT BABES ON PARTY ISLAND

SHAGGING IN BONK BAN MAGALUF

By BRAD CHADWICK
news@sundaysport.co.uk

THIS is how Majorca is cracking down on binge-drinking and lewdness!

Earlier this year authorities on the Spanish island vowed to rein in the excesses of British tourists in the resort of Magaluf.

The crackdown on loutish behaviour includes a total ban on drinking alcohol in the street between 10pm and 8am, and restrictions on the resort's most notorious bar crawls.

There are fines of up to 3,000 euros for nudity or urinating in the street.

The rules came in after a teenager from Northern Ireland caused a furore last summer when she SUCKED OFF 24 men on one of the crawls.

But our EXCLUSIVE pictures show that the draconian penalties have done NOTHING to kill Magaluf's party atmosphere.

Hannah MacDonald, 19, a mental health nurse from the Scottish city of Perth, said: "Fine me, do whatever you want, I'm going to get f**king mortal on the street and I don't care."

My treasure is staying hidden, vows Vanessa

STURDY Vanessa Feltz doesn't like sleeping with her MINGE out at night.

Instead, she likes to keep her hairy love petals hidden from the eyes of partner Ben Ofoedu – so that her flaps maintain a certain 'mystique'.

The 53-year-old telly host said: "I shan't be taking the recent advice that sleeping naked is good for you as it airs the genitals and prevents yeast infections.

"My dad made his living manufacturing and supplying nightwear. He said women who sleep starkers 'have no mystique'.

"Everything's visible all the time, leaving a man nothing to get excited about."

She added: "My nightwear choice will always be a champagne-coloured, pure silk negligee."

Killjoys cover boob-grope naked statue

A NUDE female statue has been covered in bedsheets – because randy sightseers keep rubbing its BOOBS and FANDANGO!

A concerned local draped the risque bronze, at a popular beauty spot.

According to a local source, an unnamed female in her 20s is responsible for covering up the statue's lady bits – which has seen plenty of wear-and-tear after years of being fondled by visitors posing for photos.

Residents in Wuhan, Hubei Province, have complained that the scenery along the river bank, where people of all ages like to stroll, used to be beautiful.

But locals described the statue as being "inharmonious" with the surrounding area.

One told newsmen: "I feel embarrassed when I pass by with my kid."

While another resident pointed out the statue has been "assaulted" by visitors' busy hands for quite some time, and hoped authorities would step in.

X-RATED CONFESSIONS OF LOVE I

I had sex in public ...while strangers watched

By JOSEPH SCRIMSHIRE
jospeh@sundaysport.co.uk

LOVE Island stunna Hannah Elizabeth has left telly fans SHOCKED after she was caught BONKING on the BEACH!

The Scouse babe is turning up the heat on ITV2's hit reality show – which follows 12 single guys and girls looking for love in sunny Majorca.

Last week, the 25-year-old model shared a kiss with contestant Jon Clark – but has so far REFUSED to strip naked on-camera.

But we reckon he'll be FUMING when he discovers Hannah's naughty PUBLIC SEX past!

Because we can EXCLUSIVELY reveal that she once enjoyed a kinky beach romp... while a group of STRANGERS watched!

Hannah confessed: "I had sex in public with an ex… a few times!

Control

"Looking back, I can't believe some of the stuff we did.

"Once, we were on a beach and I think the people who were walking past just thought we were drunk!"

The ex-*Playboy* model hopes to win *Love Island*'s £50,000 prize money alongside partner Jon, a builder from Essex.

And let's hope he can keep up with Hannah's RAMPANT sex drive – because she reckons a bloke should always take control!

Hannah, a bra-busting 32G, added: "I prefer guys to have their way with me, as I just love the feeling of the man being in charge.

"Having said that, I do also like to take control and be on top sometimes.

"That way I get to decide what the sex is going to be like. It all depends on the mood."

She also blew the lid of her ULTIMATE sex fantasy.

She confessed: "What's the best sex I ever had? I love having sex in the water. One time, I did it when I was in the sea on holiday.

"But the best ever was when I was in the BATH.

"It was one of those nights when it was all just really kinky. I started off in my sexiest lingerie, but that soon came off and I ended up using the shower head as an extra tool. Now that was fun!

"It felt so good because I'd really planned it out. Thinking about it all day meant I was really turned on.

"It's always nice to wear something gorgeous. All girls like to think sometimes, 'I'm going to make this a special one!'

"There's one thing I've never done which I'd like to try – and that's give a bloke a sexy lap dance! I reckon I'd be good at that.

"And handcuffs, too! That's something I haven't tried out.

"The problem is when you're single you don't have a fella to try things out with!

Fireworks

"But I've had lots of fun with sex toys, too. My tip for any couple would be the vibrating cock rings for men and the little bullets for women. They are amazing!

"Me and my girlfriends have got the bullet from Ann Summers – it's a little gold thing that the man can use on the woman.

"If you use them together with a cock ring you've got a recipe for fireworks."

Love Island continues tonight on ITV2 at 9pm.

BLONDE bombshell Hannah Elizabeth has an amazing sexy secret – she once stripped FULLY NUDE for a saucy video!

The 25-Year-old Scouse babe has been causing a sensation in the ITV reality show recently.

Pierced

But her co-stars have absolutely no idea that the busty babe once revealed everything to the cameras – including her pierced FANDANGO!

The scene, shot for classy porn site *playboy.com*, features the stunna writhing around in sexy lingerie.

Then she teasingly strips until she is wearing nothing but a smile and a pair of lacy stockings,

An ITV insider said: "She should do that on the show.

"By Christ, ratings would go through the ruddy roof!"

HOUSE NOW

HOUSE OF HORRORS: Nilsen's former gaff at Cranley Gardens, Muswell Hill as it looks today and (*below*) a coffin being taken from the address by police in 1983

HOUSE THEN

By SIMON DEAN
simon@sundaysport.co.uk

HOUSES on the property market sometimes come with the warning "buyer beware".

Some have the issue of noisy neighbours, others have subsidence and some gaffs suffer from dry rot.

But there is a far more sinister reason why estate agents warn potential buyers of Flat 23D in Cranley Gardens, Muswell Hill, to "research the history of this property".

This is because the attic flat is the former lair of serial killer Dennis Nilsen.

In 1983, while checking reports of blocked drains and a sickening stench, maintenance men found HUMAN REMAINS in the soil pipe at the address.

And so ended the murderous career of Job Centre clerk Nilsen – one of Britain's most prolific serial slayers.

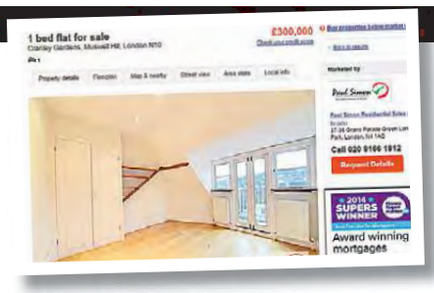
Tough detectives vomited openly when mild-mannered, bespectacled Nilsen described what had occurred in the flat – and at his previous home.

Nilsen picked up young homeless men in central London's gay bars, took them home for a meal and plied them with booze.

As his victim's slumbered, Nilsen – the son of a Norwegian

pay £300k where serial cooked their flesh?

INFAMOUS: Former resident Dennis Nilsen (*above*) slayed and cooked his gay victims at the property, which has been renovated



Property description

Paul Simon offer this well presented one double bedroom top floor flat with own private balcony. The property is situated at the top end of Cranley Gardens therefore within close proximity to Muswell Hills Broadway with its full array of shops and excellent transport links including Highgate Tube (Northern Line). Sold with a Share of Freehold & Chain Free! Buyers are kindly asked to research the history of this property or enquire with the marketing agent prior to viewings.

GRISLY: Rightmove advises buyers to check 'colourful' history of this property

soldier and a Scottish mother – went in for the kill.

He even bathed with the still-warm bodies then took them to bed, where he would have sex with his victims.

His vile list slaked, Nilsen chopped up the corpses and sealed the chunks of flesh in plastic bags, then left them to ferment into a liquid slop.

Most of the gloop was flushed down the toilet, though some Nilsen kept behind in a jar labelled "Passion paste".

Depravity

And the stinking broth was used as a lubricant during sexual assaults on later victims.

The blocked drains ended Nilsen's depravity.

When confronted with the evidence, he confessed almost immediately, telling the arresting officer: "It's a long story; it goes back a long time. I'll tell you everything. I want to get it off my chest. Not here – at the police station".

He confessed to the killings at Cranley Gardens as well as another 12 killings at 195 Melrose Avenue, Willesden Green.

Nilsen's trial electrified the nation before he was sent to jail for life and has been told he will never be freed.

The Muswell Hill flat is now being sold for £300,000 after undergoing refurbishment.

On its listing with Paul Simon estate agents, the property is described as 'within close proximity of Muswell Hill Broadway' and as having 'excellent transport links'.

A source said: "This is a remarkable price for a property in this part of London. The flat's not haunted – having undergone an exorcism by a previous owner, I believe.

"The blood and gore has all been wiped up and the stench of death has long gone. This really is a bargain.

"I wouldn't live there for a gold clock, mind you."

'HUMAN COOKBOOK' SKILLS LEARNED IN ARMY

AGED 16, Nilsen joined the Army where he honed the skills that would serve him well as a serial killer.

He became a cook – serving as a butcher in the Army Catering Corps – learning how to fillet dead animals, as he would later fillet his victims.

To get rid of the corpses, Nilsen would strip naked and dismember them on the stone kitchen floor of Melrose Avenue with a large kitchen knife.

He would then take the parts outside to dispose of in a fire.

When he moved to Muswell Hill, Nilsen had no access to a garden and so burning the evidence was no longer possible.

He bought a huge pot and used it to boil the heads, hands and feet of the murdered men into a foul soup. This eventually went down the toilet.

CIA: Bin Laden porn will stay under wraps

A CAMPAIGNER for free speech who tried to get his hands on Osama Bin Laden's PORN collection has been told by the CIA he will NEVER see the slain al-Qaeda chief's grumble.

David Covucci, editor of news site *BroBible.com* wrote to the Yank spy agency demanding the grot be released under American Freedom of Information laws.

He wrote: "We are adults. We can handle it. We would like to know what kind of porn the world's most wanted man jerked it to."

But the Central Intelligence Agency – based at Langley, Virginia – gave short shrift to Covucci, saying the CIA is "prohibited from mailing obscene matter."

When Bin Laden was shot dead at his compound in Pakistan in 2011, Navy SEALs found XXX material.

And *Sunday Sport* reported earlier this year much of it was controversial DWARF porn.

Revealed: The World's most embarrasing sex moments

WOMEN have revealed the most embarrassing things said to them by men after sex.

A thread was started on the news and social networking site Reddit, where GreyChinHair asked women 'what is the most embarrassing comment a guy has made to you after sex?'

One fella even said to his pregnant missus, 'That'll do pig, that'll do' – a reference to the 1995 sheep-pig movie *Babe*.

The post has received over 3,800 comments.

Here's a selection of some of the finest…

1 'I thought your boobs were way bigger than they actually are'.
2 'Have you ever thought about shaving your arse hair?'
3 'I wanted to keep doing this regularly but you really look like my sister… I know that's creepy and I'm sorry… I'm sure we could work around it though'.
4 I gave him a blowjob, and swallowed. Then he looked at me and said, 'That's disgusting'.
5. My shirt came off and he remarked, 'The Mounds of Sheba!'
6 I'm 8 months pregnant. He had just finished. He looks over and says, 'That'll do pig, that'll do'.
7 'This is probably the worst sexual experience of your life'.
8 'And you just got pregnant'.
9 'You make me want to go to confession'.
10 'You can fart now'.

Brothel gaffer offers free sex in tax protest

A BROTHEL is offering free sex to its punters – as a TAX protest.

Pascha brothel in the city of Salzburg, Austria, is advertising a "Summer Special".

"We're not paying any more tax!" says an announcement on the brothel's website.

"From now on: Free entry! Free drinks! Free sex!"

The brothel's owner, Hermann Müller, is paying the prostitutes out of his own pocket as a protest against what he says are unfair levies.

"Unfortunately we've already had to send hundreds of customers away because we had a full house," Mr Müller told Austria's *Kronen Zeitung* newspaper.

The idea of a brothel-keeper moaning about his taxes may sound a outlandish, but in Austria and Germany prostitution is legal and brothels are legitimate businesses – and liable to taxes.

German-born Müller runs a chain of brothels in both countries.

Meth head's nude M-way meditation

POLICE arrested a man after they found him meditating NAKED in the northbound lanes of a busy motorway.

Chan Saechao, 31 (*above*), was spotted kneeling in a state of undress on Highway 273 in Anderson, California, in the early hours of Thursday morning.

Officers said it appeared he was attempting meditation.

And he reportedly told cops at the scene he had used methamphetamine earlier in the night and might be "a little high."

He was arrested for public intoxication and for suspicion of being under the influence of methamphetamine.

Police later found his discarded clothing near to the freeway, on a grass verge.

BIG BRUV NIKKI'S LESBO STRIP VID

BIG Brother is nothing if not eco-friendly – because the makers of the reality show are masters of recycling.

On Friday three former housemates entered the house – Brian Belo, Helen Wood and game bird Nikki Grahame.

Nikki – who appeared in series seven of the show back in 2006 – is the one who interests us most, thanks to the saucy antics she got up to after leaving the house.

First of all she was spotted at a function in London wearing a Bunny Girl outfit which, luckily for us, allowed her pissflaps to hang out.

By SIMON DEAN
news@sundaysport.co.uk

There was better to come.

Because Nikki went on to appear in a LESBIAN strip video with gorgeous Cheshire glamour babe Laula Lavin.

One fan said: "I was a big fan of Nikki when she was in *BB*.

"When I saw her in that sey vid, I nearly pulled the end off."

Before going into *Big Bro*, Nikki – now 33 – revealed: "I'm addicted to this series. I absolutely love it. I'm very impressed with Joel – he seems to be so intelligent for a 19-year-old boy and I see him as a future politician."

She added: "I'm not looking for romance, but I'm in my 30s – so I'm at my peak."

By COLIN HURST news@sundaysport.co.uk

GORGEOUS Gemma Hiles reckons she's a nymphomaniac!

The stunning blonde said she can't go a day without a good seeing-to – otherwise she goes "crazy".

And when it comes to bonking, the 27-year-old model, from Preston, Lancs, doesn't like a man to beat around the bush.

She said: "I like my sex to be rough, hard and fast. I don't mind experimenting with positions, costumes and toys occasionally.

"But on the whole, sex should just be wham, bam, thank you ma'am!"

Gemma has had three ops to enhance her bust from a 32B to a 32E.

She added: "The extra attention I get with bigger boobs is great, and I definitely think larger breasts are good in the bedroom.

"I've certainly never had any complaints, anyway!"

UFC babe: Don't tug in my car!

A TOP female Mixed Martial Arts star has warned fans – don't WANK in my car!

Ultimate Fighting Championship (UFC) women's bantamweight champion Ronda Rousey (*above*) recently sold her car on eBay.

The winning bid was $21,300 (£14,000) – a pretty hefty price for a used 2005 Honda Accord LX with over 150,000 miles and a broken transmission.

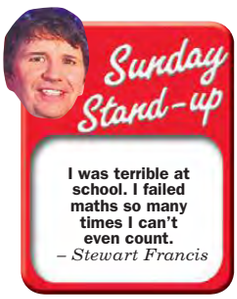
It's thought that the price tag reflected the fact it belonged to Ronda – known as "Rowdy" to fight fans.

But she's concerned the Honda may turn into a bizarre wanking shrine for a lust-crazed superfan.

The 28-year-old said: "I hope the next owner will be someone who will love and respect it – and not some crazy super fan who jerks off to it everyday."

Rowdy – who is on the cover of this month's *Rolling Stone* – also brushed off claims she's a lezza.

She explained: "I love men so much that I beat the f**k out of girls for a living just to take them all out!"



Let me off and I'll bonk you!

A MAN charged with battery tried to get off the rap – by flashing his COCK at the alleged victim!

Lee Sanders Jr, 32, of Tuscaloosa, Alabama, faced third-degree assault charges after a woman complained that he had beaten her up.

Desperate Sanders went to the home of the woman and told her he would have sex with her if she dropped the charges.

She turned down the offer but Sanders returned hours later and dropped his pants and showed the woman his Johnson.

But she refused him for a second time and then called the police.

Sanders now faces indecent exposure and witness tampering charges – on top of the assault rap.

POPPERS-CRAZED COLLIE BONKS SHEEP AT COUNTY SHOW

SHOW STOPPER: Astonished onlookers watch Pip indulge in some shocking sheep shagging

Farmer blames 'jealous rivals' for outrage

A SHEEPDOG trial was halted after a border collie ripped to the tits on gay sex drug POPPERS leapt on a pedigree Blackface and BONKED it!

Parents shielded their sobbing children's eyes as lust-crazed hound Pip mounted the unfortunate ewe in front of a dozens-strong crowd.

The on-site vet at Splint County Show in Cumbria later blamed the outbreak of canine carnality on the dog inhaling amyl nitrate – commonly known as poppers.

Judges stopped the sheep-herding contest and disqualified the dog's owner, farmer Ken Wright.

Volatile

Mr Wright, 70, has no doubt as to who is to blame for the dog-tampering.

He raged: "I know who it is. It's them bastards from down the valley.

"They're jealous that my Pip and Squeak have been best dogs in splint for the past five years.

"They'll do owt to bugger it up for me – even give me dogs bummers' medicine.

"I'll have my revenge, just you wait."

For legal reasons we are unable to name the farming family living in the local community who Mr Wright suggests doped the unfortunate Pip with poppers.

The volatile liquid induces feelings of mild euphoria and is known to produce a strong aphrodisiac effect in dogs.

Dr James King, animal behaviourologist at the University of West Lancashire, said: "If you give a dog poppers to inhale it will want to shag anything with a pulse.

"It may sound like a joke but when a border collie wants to shag you, you get shagged.

"They are stronger than they look."

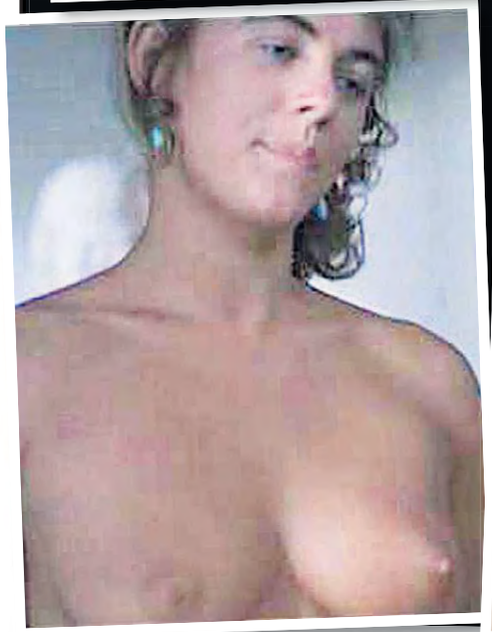
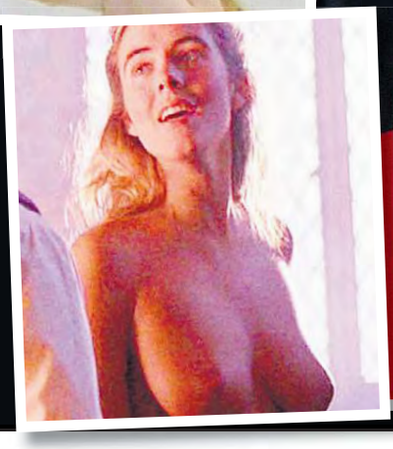
AS MEGA-MILF TURNS 50, WE SAY...

HAPPY BUFF DAY,

TASTY TREAT: Liz enjoyed a good licking in 1994's *Shameless*



YOU'LL HAVE MY EYE OUT: In Sharpe



LIZ

By SIMON DEAN
simon@sundaysport.co.uk

IN 1995, *Four Weddings and Funeral* actor Hugh Grant decided to cheat on his then-girlfriend.

Floppy-haired Grant romped with a two-bob street whore called Divine Brown and was subsequently hauled in by the Los Angeles police.

The woman he betrayed was the utterly gorgeous and impeccably groomed Elizabeth Hurley.

This incident only served to demonstrate that Hugh Grant is a world-class twat – an opinion he confirmed later with his hysterical attacks on the tabloid press.

Beauty

Thankfully, Hurley soon got shot of her "oh-gosh-I'm-such-a-bumbling-Englishman" baggage and became the most iconic English beauty of her generation.

Last week Liz turned 50 – but her blinding beauty remains undimmed.

She positively oozes sex appeal. And according to new research, she has every reason to be smug – with the 50s revealed as being the most sex-confident decade of a woman's life.

To celebrate this milestone, *Sunday Sport* prints a selection of pictures of Liz showing her boobs…

KILLED BY HIS PILES

Inquest told pain felt like 'bag of nails in his bottom'

By TESSA WATKINS
news@sundaysport.co.uk

TRAGIC Mark Such killed himself with a foul-smelling chemical cocktail – because he was in agony with PILES!

The 51-year-old described the painful condition as like having a "bag of nails" in his bottom.

Finally, he scribbled a suicide note to his partner, went out to the car in their garage and gassed himself.

Berkshire coroner Peter Bedford heard that Mr Such, from Reading, was told by doctors there was nothing that could be done to help him.

He had talked with his partner Barry Gibbs about ending his life because the pain was impossible to live with.

Mr Gibbs said in a statement: "He first developed symptoms in April 2011, when he was diagnosed with haemorrhoids.

"He had surgery in August but he was still in constant pain.

"He went from one expert to another, different hospitals, and was told it was nerve damage.

"In April 2014, he said the only way out was to take his own life. I persuaded him otherwise.

"He saw a consultant in London and was told the nerves were wrecked and were unlikely to ever be repaired."

On another occasion Mr Gibbs got home to find Mark sitting with 12-15 sleeping tablets in front of him.

Mr Gibbs said: "He said he had had enough. I persuaded him not to."

Mr Such then bought a book called 'How to Take Your Life'.

Mr Gibbs' statement said: "On January 23 this year, there was a note on the table addressed to me.

"I dashed to the garage and there was a strong smell. I looked in the car and he was slumped in the driver's seat.

Poisonous

"I opened the door, but the smell was so strong I shut it and ran to a neighbour."

Detective Sergeant Carl Bradford, of Thames Valley Police, said in a statement: "We were called to a report of the death of a man in a garage.

"There was a mixture of lime sulphur and hydrochloric acid to create a poisonous gas."

VERDICT: Suicide

'Witchcraft' schoolkids stone staff

A SCHOOL has been temporary closed, following a violent strike by students who accused the teachers of WITCHCRAFT.

Students locked up tutors in the staffroom and also locked the main gate.

Protesters were joined by others who claimed that, since the term started, they were being troubled by witches.

Afternoon lessons were abandoned as students camped in the compound, trying to attack teachers.

And the anti-riot police were called to calm the situation in Mubende, Uganda.

"By the time we arrived, the students had locked the gate and had already injured the head teacher, who was stoned on the head," a police spokesman said.

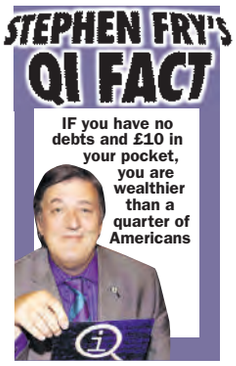
Cops fired volleys of bullets to scare off the students, who were later dispersed.

The spokesman added: "After calming the situation, we held a number of meetings with the students, teachers and community, and made consultation.

"We resolved that the school should temporarily be closed to avoid more problems."

Local politician Margret Kukiriza said since the beginning of term, there had been complaints of devilish attacks at the school.

He added: "Some students would undress and move around the compound stark naked and many were no longer going to class."



'Aggressive' BMW w*nker

A MUM out with her son was horrified after she spotted a semi-naked man "aggressively" masturbating in his car.

Tayla Hodgson, 19, was out with her son, two friends and their daughter on June 6 when they spotted a blue BMW parked on the kerb in Orpington, Kent.

Miss Hodgson, who lives in the local area, said: "As I walked past the car I looked in and then looked away and thought, 'Did I just see that?

"He was obviously masturbating – he was naked from the waist down…completely naked.

"He had no trousers or pants on at all.

"He was aggressive – he was doing it really aggressively."

How's about that then? Savile theme park gets green light

ACTOR: Alistair McGowan (*left*) appears as Jimmy in play (*right*)

By BARNEY SAMUELS
news@sundaysport.co.uk

PLANS for a theme park based on the sick antics of meganonce Jimmy Savile have been resurrected in what has been called "the sickest idea in the history of mankind".

Back in 2013, *Sunday Sport* reported how we had discovered blueprints for a Savile-themed amusement attraction discarded in a Leeds skip.

A consortium of Yorkshire businessmen had drawn up the plans for Jimmy Land but scrapped them when the magnitude of the late DJ's crimes came to light.

Now it seems the plans are BACK ON TRACK – thanks to a play starring leading telly impressionist Alistair McGowan.

McGowan's controversial new play about the shamed charity fundraiser – *An Audience With Jimmy Savile* – has convinced some members of the original consortium that there is money to be made from the monster's name.

A source told us: "Two years ago there was no chance anyone would touch this with a bargepole. Savile was just too hot to handle.

"But some of the consortium members saw that McGowan promoting this Savile play and thought, 'If he can do it, so can we'. These are Yorkshiremen we're talking about, after all.

"They spent all that brass drawing up the plans and buying the land – they don't want to be out of pocket.

"There'll be hell on when it opens, but people will come. Plenty turn up at fancy dress parties as Savile.

"It'll make a few quid."

Cops smash voodoo sex gang ring in Canaries

POLICE have smashed a human traffick ring who used VOODOO and animal sacrifices to lure women into prostitution.

Officers rescued four victims and arrested six members of the gang that used juju voodoo rituals to sexually exploit girls.

They promised the women from Nigeria jobs in Spain – only to force them into prostitution once they brought them to places such as Lanzarote in the Canary Islands and Palma de Mallorca in the Balearics.

The traffickers had put the women through a juju voodoo ritual that used the victims' finger nails or pubic hair and involved animal sacrifice in front of idols in a temple in order to "guarantee that the women complied with everything they demanded, under threat of death to them and their families".

The women in Spain were also coerced into assuming a debt of up to 50,000 euro, pledging subservience to the group's madam and the pimps.

Teacher's sex toy selfie homework

A TEACHER is in hot water for asking students to take selfies with their parents' sex toys as part of a class assignment.

The teacher – now on leave pending an investigation – requested students from Encinal High School in Almeda, California, scour through their parent's drawers in search of condoms, sex toys or anything kinky and snap a photo.

Schools spokeswoman Susan Davis said: "We take reports like this seriously. We know it's hard for parents to hear we can't talk about details."

DRUNK LOUT SHAT IN HOMELESS BEGGAR'S HAT

Judge blasts 'revolting yob'

DIRTY BEGGAR: Former telesales manager Jackson

A TELESALES manager shat into a hat belonging to a homeless man who was begging pennies on the street, a court heard.

Vile Jake Jackson, 23, was on a boozy night out with pals when he spotted unfortunate Andy Soames on the cadge for coppers in Birmingham city centre.

When Andy asked Jackson for "a quid", the call centre worker barked "A quid? A quid? My on-target earnings are upwards of £40k per annum – plus bonuses and healthcare.

Disgust

"My shit's worth more than a quid."

With that, Jackson dropped his trousers and opened his bowels into the flat cap Andy was using to collect coins.

Revellers reacted with disgust – both to Jackson's stools and to his contemptuous attitude towards the homeless community.

A commotion developed in the Midlands city's lively Broad Street and constables were quickly on the scene.

Jackson, prosecutors claim, was "steaming drunk", and was bundled away and later charged with defecation to the public annoyance and outraging public decency.

In court on Friday he pleaded guilty to both charges.

Branded

The court was told that Jackson was sacked following his arrest and subsequent publicity which led to him being branded "The Dirty-Arsed Bastard of Small Heath".

Branding Jackson a "revolting yob", the chair of the bench sentenced him to 100 hours unpaid work.

NO BUMMING!

Shock as signs erected at dogging hotspot

OUTDOOR gay sex fans are being warned to steer clear of a country park – with graphic NO BUMMING roadsigns.

The placards popped up in a forest at Caitwickerzand near Kootwijk in The Netherlands – popular with gentlemen who enjoy outdoor sex.

A local said: "We are Dutch, we are tolerant of this kind of thing.

"But we don't want the peace at night spoiled by sex whoops and the like.

"The things you hear coming from the woods in the evening!

"It's enough to make your hair curl. Maybe the signs will be a deterrent. Then again, maybe not.

"You know what they're like."

DEANO ON SUNDAY

A TOP boffin and Nobel Prize winner Sir Tim Hunt has got into trouble after saying – basically – that women are a pain in the arse.

He reportedly told a conference that birds in science labs "cry" when you criticise them and "fall in love" with their male counterparts.

Feminist types reacted with typical head-spinning fury to Sir Tim's comments. He's been forced to resign from his post at a university.

So to prove that they are not a pain in the arse, women have been such a pain in the arse they've forced a man out of his job.

A MAN collecting for a leading charity came calling at my door last week, asking me to hand over my bank details so I could donate by direct debit.

As it happens, it was a charity to which I'm rather well disposed, and I asked if I could have a leaflet so I could consider the idea.

"But you'll just throw the leaflet in the bin. We need you to sign up now", he effectively told me.

The conversation went on for a couple of minutes, as bearded do-gooder became more and more insistent that I should sign on the dotted there and then.

Needless to say, the charity involved didn't get a new customer.

After killing that old lady in Bristol the other week, you would have thought the charity collectors may have changed their ways.

Tax credits end up in fatcats' back pockets

WRESTLER: Osborne is looking for shiny new schemes

CHANCELLOR George Osborne plans to cut working tax credit by £5billion a year as he wrestles with Britain's fked finances.**

Naturally, this has caused some concern among working families who rely on the taxpayer-funded top-up to their regular wage packets.

But look at it this way.

Tax credits are nothing more than a subsidy to big firms who refuse to pay their staff a living wage.

Multinational firms know they can pay their employees buttons as the government – or rather, the taxpayer – will step in and make up the shortfall.

The money saved on staff wages then goes straight into the back pockets of fatcat millionaire directors.

So taxpayers' money is subsidising the mega-rich and the scheme is dressed up as a way of 'helping the poor'.

Childcare

It's the same with subsidies for childcare.

If the taxpayer funds a childminder, employers don't need to.

If millions of mothers are "encouraged" back into the workplace thanks to cut-price childcare, that only helps the bosses who won't face upward pressure on wages.

Whenever the government comes up with some shiny new scheme to make life "fairer", it's always some rich c**t in a suit who benefits the most.

BRITISH tourist Ellie Hawkins is all scared because locals were a little angry at her stripping off atop one of their sacred mountains in Borneo.

She faces three months in a Malaysian jail – or a fine of 10 buffalo – if she's found guilty by a tribal court.

Young Ellie should think herself lucky that the locals don't throw her in a pot and EAT her.

Cheeky Kate's not a super role model

SUPERMODEL Kate Moss (*left*) has been escorted off a plane at Luton airport after reportedly being disruptive on a flight from Turkey.

This is not the first time that Mossy has been unruly.

The only solution to her challenging behaviour, I think, would be for me to put her across my knee and give her bare bottom a good spanking.

GIVE VIOLENT PARENTS A BREAK

HIGH Court judge Mrs Justice Pauffley has suggested that police officers and social services should take it easy with immigrant families who batter their kids.

Daft c**t.

£½ million seized from suburban sex ring madam

By BARNEY SAMUELS
news@sundaysport.co.uk

A HIGH-CLASS madam has been forced to hand over half a million pounds of her ill-gotten gains after authorities dismantled her vice empire.

Private schooled Fiona Hathersage, 43, made a mint from a stable of almost 50 hookers servicing rich businessmen in London and other European capital cities.

Her ultra-discreet escort agency counted Arab princes, top international tycoons, government ministers and high-level diplomats as punters.

The divorced mum-of-two lived in a £2.5million house in north London, complete with Jacuzzi and wine cellar packed with the finest vintages.

But Hathersage's saucy posts on social media alerted the authorities to her sexy sideline.

One of the snaps showed her topless in her wine cellar while another showed her naked in the Jacuzzi swigging champagne and puffing on a cigar.

Investigators were curious how a woman with a declared income of under £30,000 could afford such a lifestyle.

LIVING THE HIGH-CLASS LIFE: Madam had stable of 50 hookers

Undercover cops infiltrated her sex empire and Hathersage was arrested in February last year.

Last November she was handed a two-year suspended sentence for controlling prostitutes and false accounting.

And last week a Proceeds of Crime Hearing confiscated £500,000. If she does not pay, she will go to jail for five years.

Her lawyer told reporters: "Mrs Hathersage intends to comply fully with the court's orders."

ESCORTED: Model is said to have been met by police off a flight at Luton airport

BOOZY KATE'S DILDO SPREE

Kinky act with black sex toy and strawberry lube

IT'S not just on planes that Kate Moss is a handful...she also ran amok in a SEX SHOP!

The 41-year-old supermodel – who was last week escorted off an easyJet plane from Turkey after becoming disruptive – splashed out on NINE dildos in a Soho adult boutique.

An onlooker said Kate fell over TWICE and kept yelling: "I'm horny and I'm in a sex shop."

The witness added: "She was totally trolleyed and collapsed on the floor after looking at a bottle of poppers called Rush which was opened in the shop.

"Then she started squirting strawberry flavour lube all over the place and playing with a big black sex toy. She was hitting the side of her face with it.

Oral

"Then she put her mouth over it, simulating oral sex, and rubbed it up and down after smothering it with lube."

Kate, who has been romanced by a series of gentlemen over the years, as well as grubby junkie Pete Doherty, is no stranger to sex toys.

She once shelled out £200 on a limited edition, gold-plated Jimmyjane "Little Something" falsecock in New York boudoir store La Petite Coquette.

Kate Moss was escorted from a flight by police at Luton airport after reportedly calling the pilot a "basic bitch" and drinking vodka she had stowed in her hand luggage.

No complaints were made and Moss was not arrested.

A fellow passenger said Moss, 41, requested alcohol aboard the light from Bodrum in Turkey but was turned down."

Disruptive

A Bedfordshire Police spokesman said: "We were called to assist staff in escorting a passenger from a flight arriving into Luton airport. The passenger had been reported as being disruptive on the flight."

Moss was in Turkey to celebrate actress Sadie Frost's upcoming 50th birthday.

Scher is a nice view, Nic!

TALK about a "love split" – you can almost see where the axe fell in this saucy snap of former Pussycat Doll Nicole Scherzinger.

The 36-year-old singer and television advert star was snapped accidentally showing her lovely panties as she got out of a car in LA.

According to ex bandmate Ashley Roberts, X Factor babe Nicole has been focusing on work after her split from F1 star Lewis Hamilton.

Ashley said: "Nicole is good – she's been in LA doing a show over on NBC.

"And I think she's having a good time doing that... so she's keeping busy."

BLONDES BARE THEIR BOOBS

By SIMON DEAN
simon@sundaysport.co.uk

GENTLEMEN prefer blondes – or so the saying goes.

Well, there are no gentlemen to ask here at *Sunday Sport* Towers but we all certainly love a bit of blonde barnet.

We won't have any talk of dumb blonde jokes here, neither – because most of us turn into gibbering imbeciles when faced with a fair-haired lovely.

We've raided the *Sunday Sport* picture archive and come up with a vast number of blonde babes – most of whom have their boobs out.

Alas, we can't prove that collars and cuffs match because sadly, in post-Leveson Report Britain, we're not allowed to show you minges in *Sunday Sport*.

STUDENTS TALK SEX!

BROOKE COOPER

AGE: 23
FROM: Preston
STUDYING: Hairdressing
UNIVERSITY: UCLAN
FAVE FOOD: Italian
FAVE DRINK: Rosé wine
FAVE FILM: *Love Actually*
FAVE ACTOR: Guy Pearce

KIRSTY TAYLOR

AGE: 23
FROM: Wigan
STUDYING: Dance and Performing Arts
UNIVERSITY: UCLAN
FAVE FOOD: Greek
FAVE DRINK: Rosé wine
FAVE FILM: *Gravity*
FAVE ACTOR: Vin Diesel

WORST SEX

BROOKE: My worst was my first time.
KIRSTY: That was bad. I didn't know what I was doing.
BROOKE: And I was dead nervous. It was quick and drunken.
KIRSTY: I just didn't like it. I had been with my boyfriend for quite a while and wanted it, but it didn't help.

BEST SEX

BROOKE: My best sex was on the M65 motorway – it was good.
KIRSTY: How did you manage that?
BROOKE: I sat on him with my legs facing the back seat.
KIRSTY: While you were driving! Isn't that a bit dangerous?
BROOKE: I had my head to the side, so he could see. He was just a bit distracted. It was not my idea – I just went along with it. It was one of his fantasies. It was good though.
KIRSTY: Mine was in the toilets at Asda. We were both drunk and had gone there for some more wine. I don't know why but we ended up in the loo. It was so funny. It was embarrassing when the security guard caught us.
BROOKE: What did you do?
KIRSTY: I ran off giggling!

SEX OUTDOORS

BROOKE: I had sex on a football pitch. It was over the car bonnet and it was freezing. It wasn't that good. I've had sex in the woods too. I like sex outside.
KIRSTY: I had sex in a ditch over the bonnet of a BMW X5.
BROOKE: It must be something about car bonnets. We had gone for a drive and ended up having sex. It's good outside as it seems more exciting and it's spur-of-the moment.

FAVE POSITION

KIRSTY: Doggy-style.
BROOKE: I agree. That's my favourite too.
KIRSTY: Or on top. I like being on top because then I can be in control. It really turns me on.
BROOKE: I get what you're saying, but doggy is a bit more raw and passionate. I also like spoons because you can cuddle and touch. You can feel it more when it goes in as well.

WILLY SIZE

KIRSTY: It doesn't matter to me.
BROOKE: I like a bit of girth but size is important.
KIRSTY: Obviously you need something there, but what's the point of having a big one if he's useless?
BROOKE: Trust me on this, once you have experienced a small willy it really does matter. If it's too small, you can't feel it.
KIRSTY: I've never had a small one.
BROOKE: What's the biggest? I got a measuring tape out with one ex.
KIRSTY: How big was he?
BROOKE: About nine-and-a-half inches. He was really big.
KIRSTY: Mine is only about six.
BROOKE: Well, that's acceptable. Not massive, but acceptable.

TURN-ONS

KIRSTY: Rigger boots. I love a man who comes home from work all dirty and sweaty. It's a sign of a real man and is a real turn-on.
BROOKE: I like a man who smells nice, has a nice tan, body and car.

THREESOMES

BROOKE: I have had two and both times it was with a girl and a boy. I think it is something everyone should experience. I think the other girl can get jealous, especially if it's her boyfriend.
KIRSTY: And was it?
BROOKE: One time it was hers, the other time it was my fella. We were in bed and she was giving him all the attention. I only did a bit of oral with the girl.
KIRSTY: I don't think I'd have one. If I had been in a relationship for a while and my partner was up for it, then maybe.

BLOWJOBS

BROOKE: I spit.
KIRSTY: Definitely.
BROOKE: I can't bring myself to swallow it. I just don't like the taste.
KIRSTY: I can't stand it. He should be happy that he's getting a blowjob in the first place.
BROOKE: No, some guys would prefer it if we swallowed.

FAVE FEMALE CELEB

BROOKE: It has to be Jordan.
KIRSTY: And me. I just think that everything about her is so sexy.
BROOKE: I think she looks better now she's had her boobs reduced.
KIRSTY: Right. She's confident, successful and good-looking.

FAVE FANTASY

BROOKE: Mine is to have sex with a male celebrity. And then the next time I saw him on TV or in a magazine, I could think to myself, "I've been with him".
KIRSTY: Anyone in mind?
BROOKE: Not really, but if I had the choice then ideally I would like it to be a good-looking footballer.
KIRSTY: Mine's not that exciting. I would like to go on holiday and have sex on the beach. And while we were doing it, we'd get caught. I think that would be fun.

BUM FUN

KIRSTY: That's one thing I don't do. Maybe I will do it one day – I have not found anyone I trust enough.
BROOKE: I'm sorry, but it is for one thing and one thing only. I have been asked more than a few times but have always said no.

MOST ORGASMS

BROOKE: The most I've had is two.
KIRSTY: You're lucky. I'm quite hard work and I have to admit I am happy with just one.
BROOKE: I don't think I'd want to have multiple orgasms as I don't think they would be as strong or intense.

IF Caitlin Wynters wasn't jaw-droppingly gorgeous enough for most red-blooded fellas, she says she is also able to make her huge boobs DANCE!

The busty brunette is incredibly proud of her palm-stretching 34E breasts – which is probably why she loves stripping off.

Curvy Caitlin, 23, is originally from Hagley, Worcs, but now lives in London.

She also opened up about her favourite sex position.

Caitlin said: "I love being on top. That way I'm the one in control. I can determine the pace and penetration – it drives me wild!

"Especially being able to look down at the bloke's face while we're at it.

"If I'm feeling submissive I like to do it doggy-style. You know, face down, arse up with a guy gently pulling my hair – I find it so hot!"

MONDAY

Every McCloud has a silver lining

C4, 9pm – Kevin McCloud's Escape to the Wild

IF you're a fan of *Grand Designs*, this one's for you.

Part of the pleasure of *GD* is wishing ill on the mega-rich London arseholes who threw millions at their build.

***Escape to the Wild* is a bit different.**

This week the Pickerings have left the UK and have moved lock, stock and barrel to southern Chile where they are building a home just a lava lump's-throw from the world's most active volcano.

Safe to say, the Pickerings are not short of a bob or two – and the husband is called Jago (Latin for 'posh ct').**

But you've got to admire their HUGE bollocks.

Living the life of luxury…

C5, 9pm – Inside Manchester's Midland Hotel

THE Midland was for many years Manchester's finest hotel.

Rolls-Royce was born there and Winston Churchill used it as his campaign HQ when he was getting elected as MP for nearby Oldham.

Things must have slipped recently because in this episode, the Midland is welcoming Charlotte Crosby of *Geordie Shore* fame.

Charlotte is known for wetting the bed while pissed.

How that sits with a *luxury* hotel we'll have to wait and see…

OF THE TELLY

Hand it to the cyborgs

C4, 9pm – Humans

IF you tuned in to Channel 4 recently, you will have noticed an advert for a company called Persona Synthetics – selling scarily realistic cyborgs.

The promo invites you to 'meet Sally, your new best friend' – a robotic servant who can do literally anything.

In fact, the "ad" is a clever clip for new C4 sci-fi series, *Humans*.

As can be expected, all is not well with the cyborgs in *Humans* and over the next eight weeks we'll find out the downside of having electronic slaves.

With a bit of luck, this will be as good as C4's last drama triumph, *Utopia*.

And we'll find out if cyborgs like the gorgeous Anita (Gemma Chan) can be programmed to toss you off.

Fancy meeting you here...

C5, 12.40am – Muriel's Wedding

IF your wife's brother is a homosexual and he's invited himself to stay tonight, you could keep him out of mischief by plonking him in front of C5 for this camp romp.

Now (and whisper this) *Muriel's Wedding* is actually a very funny film and, don't worry, you won't start rearranging scatter cushions or complaining about "the muck in here" if you enjoy it.

Why do you build me up?

C4, 8pm – The Secret World of Lego

LEGO has been part of our lives since we were kids.

And now it's still part of our lives as we scream in agony after accidentally kneeling on a stray brick that one of the kids has left on the living room floor.

But what do we actually know about the plastic brick toymaker?

Lego – like bacon and porn – comes from Denmark but the company is very secretive and little was known about its workings before this doc.

Prepare to be surprised by just how seriously employees take their business.

TUESDAY

When Dara met Stephen

BBC1, 10.35pm – Dara O Briain Meets Stephen Hawking

MILLIONS of people bought Professor Hawking's book, *A Brief History of Time*, and almost as many didn't have a flying f**k what it was all about.

The fact is, although Stephen Hawking has been totally crippled for decades, he's one of the cleverest blokes who has ever lived.

O Briain – who, with Brian "Coxy" Cox – has become the BBC's face of space shit, interviews Hawking about what it's like to be him.

Great stuff. BTW, Hawking's got a brilliant sense of humour and loves the lap dancing clubs!

Just for laughs...

Dave, 9pm – Undercover

IF you thought that Dave was just repeats of *Mock the Week*, you'd be right. Until now.

Because Britain's most famous rerun channel has now commissioned its first original comedy.

Undercover is about an undercover police officer who finds himself hopelessly out of his depth when he infiltrates an Armenian crime family.

The star-studded cast, shot on location in Newcastle, includes Daniel Rigby (*Eric and Ernie*), Sarah Alexander (*Smack The Pony*) and Keith Allen (*Comic Strip Presents...*).

DON'T MISS THIS!!!

C4, 8pm – Dogs: Their Secret Lives

DOGS, eh? Whether they're shitting on your front garden or eating your kids, you can't get away from them.

The BBC did a similar show with cats a while back and now C4 have brought the secret camera filming format to pooches.

Fascinating stuff – but will it explain why Fido always wants to f**k your leg when you go round to your auntie's?

Tune in and find out...

BUSTY pin-up Alexa Grace started posing topless only recently – but she's taken to it like a duck to water.

A duck with lovely knockers, that is!

The 22-year-old said: "I love modelling and I've wanted to do it for years. Now, thanks to *Sunday Sport*, I'm doing it."

Alexa, from Leicester, also spilled the beans on her raunchy public sex romps.

The 30F beauty revealed: "It's really sexy to give a guy a blowjob in the back row of a cinema – then slip your knickers off and climb on top. It gets me all excited."

Sex teachers took lads on drug camping trip

BEACH SHOCKER: Lippert and Ghirelli *(far right)*

TWO female teachers took five high school pupils on a coke-and-booze-fuelled sex camping trip.

Michelle Ghirelli, 30, and Melody Lippert, 38, plied the students with booze and cocaine on a beach – then had sex with them.

When the lads' parents found out about the trip to San Clemente beach in California, all hell broke loose and the randy teachers were arrested.

A statement from the district attorney's office read: "The defendants camped with the five students at San Clemente State Beach and Ghirelli illegally distributed alcohol and cocaine to the underage students."

By BRAD CHADWICK

Predator

A victim impact statement prepared by family of one of the victims said: "I wish she could see the damage she's done to him and how her actions are going to influence the rest of his life.

"He is a child and there is no doubt in my mind that she is a sexual predator."

Ghirelli was jailed for 180 days, suspended pending the completion of 180 days in a lock-down rehabilitation facility, and given three years of probation.

Lippert was also given three years of probation, along with three months in jail which was suspended pending the completion of 15 days of community service.

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week Jaymie Feather has been reading your letters. Here's her advice...

Dear Jaymie,

I RECENTLY lost my job in a call centre and I am considering becoming an escort.

I am a 22-year-old blonde girl who loves getting f**ked and I've been known to take a few quid from guys as bets to do sexy things.

For example, there were a couple of guys at work who are right dirty bastards and are always making some kind of sexual suggestion.

I thought I'd call their bluff when one of them said he'd bum me if I kept on being cheeky to him.

When we were out in a club one night – on one of those monthly team-building exercises – he said it again.

So I bent over and pulled my G-string to one side and said: "Come on then!"

Well, he wasted no time in whipping out his todger and pulling it off to hardness before he then slipped it up me in a darkened corner of the room.

His cock wasn't that big – only about six inches hard – so I took the piss and asked: "Is that all you've got?"

The other bloke then took out his knob, which was miles bigger, and he f**ked me – even ramming it up my arse, too.

I love this kind of attention and I think if I'm doing it then I may as well be paid for it.

Do you agree?

CL, Manchester

Jaymie says...

SOUNDS like you've made up your mind already. I guess if you can't be bothered looking for normal paid work you should give it a try.

Favourite fantasy becomes a reality

Dear Jaymie,

MY man is a randy sod and we often fantasise about threesomes when we're screwing.

And whenever we hit on the subject it turns me on like nothing else.

When a pal of mine came over one night, while my bloke was out with his mates, our favourite subject of sex came up.

I was wet and swollen as we talked, and also a little tipsy from the wine we were sharing, so I just reached over and tugged her knickers down, telling her: "You won't need these!"

I spread her legs and started to finger her fanny before bending down to give her a good licking out.

Juicy

After a while of licking and sucking she came in my mouth so I rang my boyfriend and said: "Guess what? I'm eating pussy and it tastes so sweet. Do you want some?"

I unlocked the door before going back to my gal pal's juicy c**t and my bloke came crashing in from the pub about five minutes later.

In a flash we were all three naked lying on our bed.

We both tongued my pal's pussy then my boyfriend got in the middle and began to finger us, one in each hand.

As he did so he pulled his fingers out of her sopping snatch and put them in my mouth so I could suck all the glorious inner love juices off them – it was amazing.

Then I went down to gobble his cock and he carried on fingerf***ing my friend.

By then I was desperate to feel his rock-hard prick inside me so I climbed on top and speared myself on his shaft.

My mate started to lick and suck on my nipples as my man played with her fanny lips, parting them and rolling them around between his fingers and thumbs.

Exploded

I was so turned on that I screamed as I reached a climax and my hot juices cascaded over his bulging balls.

But I carried on bouncing up and down on his cock until he exploded – sending his hot, sticky spunk deep inside me.

Then it was my mate's turn and he was soon giving it to her from behind as I squeezed her tits and fingered myself at the same time.

It didn't take them long to come and when they did he rolled off her and then he gave us both a good licking – sucking every glob of our love-juices from us.

Now we have sizzling threesomes every week and I would recommend it to anyone because it has really spiced up our sex lives and my mate is more than happy with the arrangement.

MM, North London

Letter of the day

Jaymie says...

I BET she is. And your fella must be one of the luckiest blokes alive having such a broad-minded girlfriend as you. Keep romping!

Dear Jaymie,

I'VE been shagging my boss for the past couple of months.

He loves bending me over his desk and spanking me before taking my knickers off and screwing me hard.

He promised that in return for "being a good girl" I would get promoted.

I'm 23, blonde with a good body and 34D boobs. He's 48 and quite fit for his age.

We've been away for a few dirty weekends – the last one was a couple of weeks ago in Brighton.

He f**ked me almost non-stop for two days and also got me to shag two of his mates.

The problem is that he's always a bit vague when I mention my promotion.

Do you think he's just using me?

KH, West Yorks

Jaymie says...

YES. Find another job.

Dear Jaymie,

I'M a lesbian and I have just finished with my girlfriend because she won't have a threesome.

I have done everything she has ever wanted – even having straight sex while she watched – but she won't do this for me.

I love it when I get to lap at a couple of pussies, but she thinks I'm cheating by doing this.

She says straight sex is just different, but I disagree.

Am I being unreasonable?

LJ, Cardiff

Jaymie says...

NO. Just find yourself another girlfriend who is willing to have a threesome with you.

THE powers granted to benefit cheat investigators would make the old witchfinders-general green with envy.

These dodge-detectives can batter down your front door, rifle your things and even sell your children to Arab slave traders, if it takes their fancy.

Find yourself in one of their torture dungeons and they WILL make you confess to thieving from the public purse – whether you are guilty or not.

A gloved hand up the bumhole is one of their gentler tricks... beware!

Why I love showing CAT O'CO

By SIMON DEAN
simon@sundaysport.co.uk

IF curvy Cat O'Connell puts her sexy nurse uniform on, you'll feel instantly better!

Because she loves to show off her fantastic boobs in kinky outfits.

The blonde beauty, 22, has a wardrobe full of kinky gear – and when she slips into one of them while she's seducing a lucky fella, it never fails to lift his spirits.

Naked

Cat, from Coventry, said: "My favourite thing to do in the bedroom is dress up. I must have dozens of outfits.

"Sometimes a sexy fantasy costume that leaves just a little to the imagination is even sexier than being totally naked. And the nurse look always goes down well."

The 32D stunna added: "The best thing about being well-endowed in the breast department has to be the amount of free drinks you get while you're wearing a really skimpy outfit on a night out."

SEX STARS

LEGENDARY director Joone, the genius behind some of the world's best EVER adult movies, helmed all three *Island Fever* epics.

He is known as the Spielberg of Sp* and when he calls, the leading adult actresses come running!**

Topping the bill here is superstar Tera Patrick but she's ably supported by top-drawer movie shaggers Julia Ann and Briana Banks.

And of course, you can't have proper shagging without some good hard cks and *Island Fever* has some of the biggest and best in the business. After all, what man is going to refuse a month in a tropical paradise bonking some of the most beautiful women in the world?**

HERE'S your chance to get your mitts on the greatest sex films trilogy ever made...for a fraction of the normal price!

Island Fever was the ground-breaking hard- core porn film that rewrote the rules in terms of both content the budget.

The world's leading adult stars were taken to the paradise islands of Hawaii, then shagged daft in pin-sharp HD for our viewing pleasure!

This no-expense-spared extravaganza became *the* must-have DVD and copies changed hands at prices many times their face value.

The two follow-ups didn't disappoint and, if anything, pushed the envelope even further. This time the juices were flowing on tropical Tahiti and Bora Bora bore witness to bum tricks as even more red-hot babes dropped their panties and their inhibitions to bring us a tropical feast of f***ing and sucking.

The greatest cinematic trilogy since *The Godfather* would normally cost you £25 each but today, in conjunction with *Private Shops* we can offer you one for £15 or all three for just £25.

Remember, this is hardcore pornography and not available on the internet or by mail order. The only way you can get yours at this amazing price is to get yourself along to one of the licensed sex shop on this page.

We've negotiated this unbeatable price as a thank-you to all our loyal readers.

HAVING A GO: Paul Smith

ALL IT TAKES IS ONE PUNCH

Smith ready to take on 1/33 chance Ward

PAUL SMITH admits he only has a puncher's chance when he works his mission impossible shift against Andre Ward next weekend.

Undefeated Ward hasn't boxed since November 2013, but until his career stalled with injury and promotional issues was accepted as number two in pound-for-pound lists.

Scouser Smith, 32, faces the world's top super-middleweight, following back-to-back points losses against Arthur Abraham.

So it is no shock that bookies make the Yank 1/33 to spank 'Smigga' in Oakland, California, on Saturday night.

Smith, who has won 35 of his 40 contests, said: "Every fighter has got two arms and a chin.

People are going around and saying all I have got is a puncher's chance but that's all I need.

"There is nobody in the world who doesn't think I am the underdog.

"That's how it goes, that's what's expected in a fight like this against an opponent like that.

"I am a massive underdog but again there is no pressure, there's no pressure whatsoever.

"At the end of the day I'm not going to go in there and try and let him look good, try and outbox him and let him do his stuff.

"That would be suicide, but Ward can be caught. He's slicker than Abraham but he's there to be caught, he leaves himself open sometimes. That's all I need, a puncher's chance." Smith has been abused horribly on Twitter over his chances and for even accepting the daunting task against Ward who has won all 27 bouts.

The catchweight of 12st 4lb will also benefit Ward who is still the WBA Super champion despite his inactivity.

It was a last chance saloon opportunity at world title level that Smith had to take and nobody can blame him.

The former British champion told Lillo's Ringpiece: "Am I expected to say 'no' when these type of opportunities land in my lap?

"It is a great career chance, and it is the same as anyone getting offered a mad promotion at work out of the blue.

"The plusses and the positives in the fight are major, they're massive.

"The negatives are the same as every other fight I have had whether it was against a journeyman or a British title contender in the fact that I could lose.

"That's the only negative that I have got against an opponent like Andre Ward. I could lose any fight I go into but the positives are through the roof on this one."

BUTLER LEARNS LESSON

PAUL BUTLER insists he has learnt his lesson after his shock world title defeat against Zolani Tete.

He was expected to defeat the IBF super-flyweight champion in March, but was knocked out in eight rounds by the excellent South African.

Butler, 26, returns in Manchester on July 11 when he faces Mexican flyweight champion Gustavo Molina.

Ellesmere Port's former IBF bantamweight champion said: "For me this is about getting back in the ring and doing what I do best. I'm in this sport to become a world champion. I've tasted it once and I want that feeling again which is driving me to fight again.

"The lessons have been learnt from the loss to Tete and although I'll never forget it, I have to start rebuilding myself and get the confidence back which means getting back in the ring and mixing it up.

"I'm certainly not looking past Molina right now and he's my first and only thought. Once I deal with him then I'll be in a better position to see what's next."

Sidney's got a fair chance

JUST four open races tonight at Henlow but to be fair they look to be decent races and I've tried to find us the winner of each one.

The best bet looks to be Fairhill Sidney in the Sprint Contest. I was very impressed with his defeat behind Wee Tiger Tots last time and if he can run to that level tonight he should land us the bets.

HENLOW SELECTIONS TONIGHT

NAP - T1 Fairhill Sidney 20.30
NB - T2 Borna Cheyne 21.00
TREBLE - T4 Mr Stress 20.45
YANKEE - T2 Swift Betsey 21.15

JED CAN PUT THIS TO BED

A mixed card tonight at Sittingbourne which is live in betting shops nationwide courtesy of BAGS/SIS.

I'm a big Lenson Jed fan and although he was knocked out of the Derby in the first-round I'm convinced an exciting year beckons. He's got plenty of all round pace and housed in the red jacket I'm expecting him to deliver us a winning performance tonight.

SITTINGBOURNE SELECTIONS TONIGHT

NB - T6 Yassoo Martin 19.54

MONMORE MONDAY

A fantastic card packed with top quality open-races on Monday for us to enjoy and try and make some money on.

The main event is the semi-finals of the Ladbrokes Summer Stayers Classic worth £7,500 to-the-winner over 630m and comes in the category 'Must Watch'.

I'm really excited about the Puppy Competition two of my favourite pups are Droopys Vodka and Crossfield Cesar and both are in action. I'm expecting both to win and look to be the best bets on an exciting Monmore card.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

Good riddance to a real snoozefest

IT was a strange feeling watching what has now become the final curtain in the football season last Saturday – in June.

Obviously the official end for us Brits is the FA Cup final. But, for true football addicts, this was traditionally followed the Wednesday after by the European Cup final to cap it all off.

Now this has been moved to a Saturday, one of the more sensible changes in the game amid some of its ridiculous faffing about over the years.

The lack of an international tournament has meant that the season has been mercifully extended to take the sting out of the awful close-season and, with the fixtures out in just three days' time, this year's cold turkey won't be quite so hard to bear.

What a shame then that the Champions League final followed the rest of our season in being largely predictable and one-sided.

For a brief spell Juventus threatened to make it interesting but Barcelona's remarkable tally of four wins in nine years is a stark warning that the game is in need of some much-needed competition – both in Europe and in the UK.

Next season, let's hope we have another renegade Premier League challenger like Liverpool in 2014 to make football exciting again; let's hope the relegation and promotion places aren't done and dusted before the final week and the play offs again provide the goals and drama that keep even the neutrals riveted, because let's be honest, now that it's finally all over it's been dull.

Let's hope it's a one-off.

BORE: This season in general

SPOT ON SCHOLESY

Talking of dull football, the Republic of Ireland v England friendly last weekend was totally deserving of Paul Scholes' post-match summing up: "A waste of space".

With ITV still tearfully bidding farewell to 25 years of Champions League coverage, Scholes' very own brand of tub-thumping will have been just what they didn't need.

Expect their coverage next season to reflect their fall from grace. Has anyone still got Elton Welsby's phone number?

● **Millwall announced a new sponsor last week. Local building firm Wallis Teagan will be on the club's shirts next season, the joint MD of whom is, unsurprisingly, a fan. His name will fit perfectly at The Den too. He's called Peter Trotter. Lions fans are hoping that his time next year...**

MERV'S FACT HUNT

Last week I asked: Who was the last Champions League highest goalscorer with the same nationality as his club? The answer was: Spain's Raúl with Real Madrid, who scored 10 goals in season 1999-2000.
This week's fact hunt is: Which is the only current Football Conference club to have played in the top flight of English football? Answer next week...

THE AUSSIES ARE COMING

ROYAL ASCOT PREVIEW

THE Aussies are coming and we don't just mean for next month's Ashes.

Their horseracing fraternity are sending a raiding party to be proud of for the Royal Ascot shindig which cranks up on Tuesday.

But for once the sunshine nation emerges here under a big cloud. Their racing has been beset by a doping scandal, involving the metal cobalt.

Now I know a bit about cobalt because my right hip is made out of that and a ceramic ball. But does it make me feel dopey? No worse than usual.

But apparently if you feed the stuff to the neddies it improves their performance for a bit. Then makes them keel over brown bread.

The most prominent guys at the head of the scandal are trainers Danny O'Brien and Mark Kavanagh, both of whom have tucked Group 1 wins under their belt.

But the old convicts are taking this seriously because no fewer than 29 misconduct charges are being brought. None of which affects their chances of victory in Berkshire next week.

They send four with big hopes — Brazen Beau, Criterion, Wandjimam and Shamal Wind.

Robert Smerdon, trainer of the last-named, who goes in Tuesday's Kings Stand Stakes, said: "We are not involved but it's a shame Aussie racing is undeniably under a cloud.

"There were plenty of warnings about the use of cobalt so we have few excuses.

"But for now I choose to believe it is not an endemic problem. I prefer to think our trainers just got it wrong."

Ascot have done a brilliant job of marketing their summer Flat festival and now it is a real international feast.

Brazen Beau, who starts in Saturday's brilliant Group 1 Diamond Jubilee Stakes is probably their best chance of a winner.

Trainer Chris Waller also had him entered for the Kings Stand but is leaning towards the Jubilee over an extra furlong with his dreams of a first Royal winner.

He is owned by a 38-strong syndicate who have booked Craig Williams to ride as regular pilot Jose Moreira can't make the trip.

But it isn't all about the Aussie invaders, American trainer Wesley Ward sends TEN, the Irish are out in force as always and chuck in the odd froggy lad and it is primed to be a feast of gee-gee entertainment.

TOP TEN: Ward

Sadly most folk will watch it on Channel Four and, having done their best to alienate every serious betting fan, they have excelled themselves.

Not content with the jockey-cam which sank like a lead submarine at Chelters years ago, they have commissioned a camera-equipped drone in a first for live coverage of horseracing in the United Kingdom.

The remote-controlled camera will provide 360 degree shots of the action and pomp of the Royal Ascot crowd and cover live racing action from never-before-seen angles.

Channel 4 Racing's director Denise Large said: "We have 44 cameras to capture all the action on and off the track at the Royal Meeting.

"I'm delighted that our coverage for the first time will feature the ground breaking aerial Batcam drone — it will be a first for racing when we feature this as part of our live coverage at the royal meeting on Channel 4."

Do you know what fella? We don't give a flying one.

Just show us what's winning.

KEY THREAT: Rooney can inspire England to beat Slovenia

England in Slo motion

ENGLAND travel to Slovenia this afternoon bidding to maintain their 100% record in Group E as Roy Hodgson's Three Lions roar towards qualifying for next year's Euro 2016 in France.

The Three Lions arrive with a perfect record in qualifying thus far and are 20/23 favourites with BetVictor to inch ever closer to a Perfect 10 from 10 in Ljublijana; the hosts are 19/5 and draw 5/2.

Last week's goalless draw with Ireland saw Hodgson attract plenty of criticism for his side's abject display however the performance was built out of circumstances with both sides playing with little or no preparation.

England will be much sharper for their efforts at the Aviva Stadium and should out-class their Slovenian counterparts accordingly.

Skipper Wayne Rooney is just two goals shy of matching Sir Bobby Charlton in the race to become England's all-time leading goalscorer and BetVictor make the Manchester United striker 1/6 to break that record before qualifying ends in October.

Rooney is 17/4 favourite to break the deadlock but appeals instead at both 29/20 to net anytime and at 21/10 to score in an England success.

Despite the chorus of disapproval in Dublin England remain one of the most efficient sides in qualifying, conceding just one goal in their five qualifying games, and are expected to get the job done with the minimal of fuss.

The Stožice Stadium will be a hostile environment but class should prevail and the Hodgson's men appeal at 15/8 with BetVictor to win the game to nil and at 11/2 to win by the solitary goal.

England are 4/11 to go unbeaten in Group E but can better that and are excellent value at 11/4 with BetVictor to do a 'Beautiful South' and finish qualifying with a perfect ten, which should go shorter with a further three points in the bag come Sunday evening.

Whatever happens this evening, will surely be incomparable to the scenes witnessed at the Cardiff City Stadium on Friday as Wales all but secured their place in France next summer with a 1-0 defeat of Belgium.

The Red Devils arrived ranked second only to World Champions Germany in the FIFA World Rankings, and 1/5 favourites to finish top of the pile in Group B however after Gareth Bale's solitary effort BetVictor make both sides 10/11 joint-favourites to top the group with four games to go.

More importantly for Dragons fans, Wales are now 1/8 (from 1/3) to secure a top-two finish and put an end to 54 years of hurt and finally qualify for the latter stages of an international tournament.

Chris Coleman's side are now 1/16 to banish those demons and make it to France next summer and were subsequently cut to 66/1 (from 200s) to be lifting silverware aloft at the Stade de France.

Could the impossible become a reality?

MCCLAREN EYES **BIG** SIGNING TO KICK-OFF NEW ERA

COME IN ANDY!

Toon want Carroll back

NEWCASTLE are lining up a surprise move for former number nine Andy Carroll.

And new boss Steve McClaren would love to pair him with Charlie Austin in an all-action, all-English forward line.

Mac knows the main problem facing United — and that's their abject failure to score goals last season despite seeing plenty of the ball in matches.

He has been quick to point out that he expects his team to show a lot more fight next season.

And he added that the Toon Army need a committed number nine in the mould of Malcolm McDonald, Alan Shearer or, ahem, Andy Carroll to gee up the Gallowgate faithful.

The big man has been plagued by injuries since moving from St James's Park, first at Liverpool and even more so at West Ham.

By MIKE MURRAY

The Hammers would be happy to have Carroll's reported £80,000 a week off their wage bill despite him still being a real handful when he can get on the pitch.

The 26-year-old cost Liverpool a staggering £35million when he first left the Toon and then £15m going from Anfield to Upton Park.

Newcastle would look for a loan move initially, bearing in mind Carroll's injury record.

But there's no doubting that McClaren would love to have him fit and in the side.

He is looking to add more muscle, saying: "Ultimately, you want to build a team that wins. We're in the results business – there are different ways to achieve that and different styles.

"Sometimes you have to be pragmatic and work with what you have.

"I've got a vision and I know what I want to achieve.

"The fans want to see great football but they want to see a team trying and fighting.

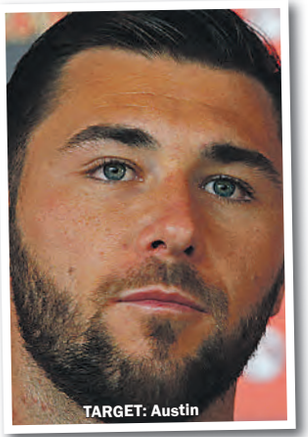
"Now we've got to keep the attitude of the final game of the season against West Ham.

"My message to the players on the first day back will be to look at that game – those are standards you have to produce every week."

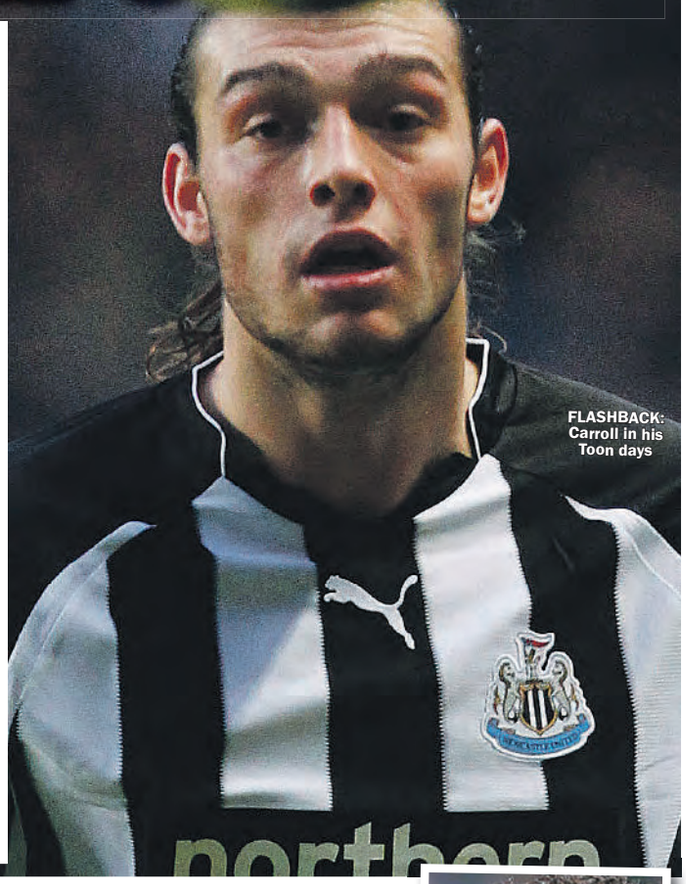
Chelsea are sniffing around the Toon's other striking target Austin.

The price might go up to £15m for the man who scored 18 goals in a relegated QPR side last season.

He's currently on England duty but, despite interest from the champions, the promise of first-team football at Newcastle will prove hard to resist.



TARGET: Austin



FLASHBACK: Carroll in his Toon days

DEAL HOPE: Wilshere

Wilshere wants to match Walcott

JACK Wilshere has warned Arsenal that his head could be turned by the riches on offer at Manchester City.

The 23-year-old is lagging behind in the pay stakes at the Emirates and wants a new contract despite having three years left on his current deal.

Wilshere is reported to be paid a lot less than Theo Walcott who has just about to pen a new deal on much more money.

Arsenal would be wise to tie their England man to a longer contract as he's a prime target for City.

The Blues are facing a problem in that they are short of English players in their squad.

They would fall foul of the new "homegrown player" rules the FA are trying to bring in.

That means top English talent like Wilshere would be an even bigger asset.

But he says he just wants Arsenal to show willing — and when players are concerned, that normally means getting the chequebook out.

Wilshere said: "I definitely wouldn't go somewhere just because I'm a homegrown player.

"I'd want to be wanted by a club. I want to be wanted by Arsenal.

I've grown up at Arsenal, I'm a homegrown player and, as long as Arsenal want me, then I'm happy."

Jose has a Cheek

GARY Cahill says HE was stung by the dressing down Jose Mourinho gave Chelsea youngster Ruben Loftus-Cheek on the club's pre-season tour.

The gaffer was livid with the teenager's so-called lack of effort in a friendly against Sydney FC. And he made no secret of his disgust.

That had Cahill wincing on the youngster's behalf.

He said: "That did surprise me a little bit but you know the manager.

"He voices his opinion when he needs to. Everyone knows Ruben is such a talented player.

"We had a glimpse of that at the end of the season, and he has trained with us for a long time now. For me, he has everything.

"But to reach the top of your profession or at any top club you will get criticism, whether it's from fans or the manager."

CITY SET £35M STERLING LIMIT

MANCHESTER City want to buy Raheem Sterling — but won't match Liverpool's demand of £50m-plus for the winger.

The Blues have already tabled one bid of £25m plus add-ons for the 20-year-old.

But if Liverpool think City will pay any price for their prized asset then they can think again.

Insiders at the Etihad say there will be another £10m on the table and that's it.

There could be add-ons to come later but £35m is the most ready cash that would be going up the East Lancs Road.

City know that the Reds are stuck for dosh with the American owners ploughing fortunes into massive building works that will transform Anfield over the next three years.

By ANDY MILLOM

Brendan Rodgers has been handed around £20m for new signings — and can only go beyond that if he sells.

So if he wants Christian Benteke or any of the other expensive buys on his radar, players must go.

And Sterling is the only one worth a major wedge that anybody seems to want.

The sense of turmoil around the club seems to be growing by the day and, with pre-season training just three weeks away, Rodgers still doesn't have his coaching team in place.

His number two Colin Pascoe and coach Mike Marsh have both been binned — but there's little sign of replacements coming in.

It would have made even more sense to have Steven Gerrard as a player-coach this season rather than let him drift off to America. It might have sharpened Rodgers up to having a legend breathing down his neck.

One man who will be OK is new keeper Adam Bogdan as goalie coach John Achterberg is just about the only backroom man to escape the cull.

But Liverpool fans let out a collective groan at the club going for a man who failed to make the grade at Bolton in the Championship.

After number one Simon Mignolet had a massive wobble in the middle of last season, the Reds were stuck with a poor number two in Brad Jones. At one point, they were linked with Iker Casillas — instead they have Wanderers' reserve goalie.

It's a sign of the upheaval at Anfield and it's a matter of time before Sterling is the next big name to desert what looks to be a rapidly sinking ship.

UNITED WANT £70M KANE

SPURS have slapped a £70million price tag on star striker Harry Kane — but that still might not warn off Manchester United.

The 22-year-old is focused on leading England's line in the European Under-21 championships this month but his club chairman Daniel Levy has been busy.

It is thought United are prepared to cough up £50m for the man who scored 21 Premier League goals for the Londoners last season.

There could be other add-ons as part of that deal with some insiders saying they might even offer former Arsenal star Robin Van Persie to Tottenham on top of the cash offer.

United boss Louis Van Gaal pulled out of signing loan flop Radamel Falcao in a deal that would cost almost £43m so another seven for a player like Kane with some incentives on top looks like excellent business at Old Trafford.

The Reds have welcomed Memphis Depay to the club and have a host of summer targets, including Gareth Bale who could come in with the cash raised from sending Angel Di Maria back to Spain for a hefty fee.

SLOVENIA v ENGLAND:

WE AIN'T SCARED OF ROO!

Slovenian skipper all wound up before clash with Wayne and co

By JOHN ANTHONY

SLOVENIA skipper Bostjan Cesar has roared out a warning to England ahead of tonight's big match.

The Three Lions might have won all three encounters with the minnows but the defender says that will count for little in Ljubljana.

A full-house of 17,000 in the compact national stadium will make as much noise at 100,000 inside Wembley.

And most of that racket will be right behing the Slovenians.

Cesar has played in all three of those matches, the most recent being the 3-1 England win at Wembley in November.

He was also on the pitch when Roy's boys beat Slovenia at the 2010 World Cup and in a friendly a few months earlier than that.

But he's adamant that England won make it a fab four success at the Stozice Stadium.

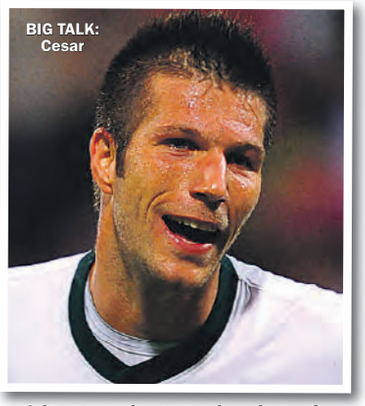
The Chievo stopper said: "Sunday is a new game.

"What has been has been. And we are professionals. We have to prepare well for this match — we know what awaits us.

"We know that they are the favourite team to win the group.

"They have a lot of good players, players with extra class. We need to look collectively and try to stop it all."

And he's banking on that atmosphere to spur his lads on. There will be around 2,000 England fans in there but they might struggle to make themselves heard against a passionate home support.



BIG TALK: Cesar

Cesar added: "We are delighted the stadium will be full.

"The whole of Slovenia will be with us in the stadium or watching on TV and I promise that we will leave our hearts on the pitch."

The whole of England will be hoping that Wayne Rooney can take a step or two closer to becoming the nation's top international goalscorer.

He sits on 47, two behind Sir Bobby Charlton, and Cesar and his mates could be in for a busy time if the skipper turns it on tonight.

And Rooney has an unlikely fan in Argie Lionel Messi.

The Barcelona ace reckons Wayne is one of the best players on the planet despite not firing on all cylinders for Man United over the past couple of seasons.

But Messi is still convinced that the 29-year-old has what it takes to fire England to a successful Euro 2016 and beyond.

He said: "If you look at the technical ability of a player like Wayne Rooney, he is as good as any player in Europe.

"Rooney has exceptional quality. Not just great technical ability, but also works very hard for his team.

"I'm sure Manchester United will never want to let him leave."

As for the man himself, Rooney is just focused on getting to next summer's finals in France and knows the record will come in its own good time.

England will be all but there with three points tonight and they will be nine points ahead of the third placed team with four games to go — and the next one is against San Marino.

Rooney said: "You never know, the record come in the next match or it could come in three or four games' time.

"All I know is I'm focusing on this match.

"When the record hopefully comes it will be great for me but until it happens all I can do is concentrate helping my team."

BIG HOPE: Bale can fire Wales to the Euro finals

BALE DREAMS OF ENDING 58 YEARS OF HURT

GARETH Bale says helping Wales to their first major finals since 1958 would be his greatest achievement in football.

The Real Madrid star won his 50th cap as the Dragons slayed world number two team Belgium on Friday night.

That put Wales within touching distance of next summer's European Championship finals in France.

Despite all he achieved at Tottenham and since then in Spain, Bale is obsessed with ending his country's 58-year wait for a finals appearance.

Wales are three points clear in Group B with four matches to play. And that's a situation that the forward is determined to preserve.

Bale said: "I think everybody knows how much I want to get to a major tournament with Wales.

"It's top of my list now. It's on, so we'll keep working hard to do it.

"We know what position we're in and we're going to enjoy this.

"We know there's still a long way to go. We can enjoy now, but when the next camp comes around we will be straight back on the floor.

"We will be working hard on the training field and ready to do the business."

Beating Belgium had another bonus for Wales as they are now seeded in qualifying for the 2018 World Cup in Russia (probably!).

The draw is made next month and boss Chris Coleman knows how important moving up the ranking is.

It has been an amazing rise for the Dragons who were in the bottom group of seeds for the 2014 World Cup — it underlines what a good job Coleman has done since then.

They have moved from number 112 in the world to 32.

Coleman said: "It seems to be two things working at the same time.

"We're trying to do well in the campaign and get as high as we can in the rankings.

"The lower you are, the harder the group you are in, so that's good for us and it will be interesting to see what comes out of that. But Euro 2016 qualification is obviously our main objective and we've got to put this to bed.

TOP BOSS: Coleman

"We've got to do something that other teams have unfortunately not managed to do, and our eyes are on the next game."

Bale got the winner against Belgium and Wales defended really well to keep their more illustrious opponents out.

He added: "I think that was definitely the most important goal I've scored.

"It was our biggest international game and we rose to the occasion and got the win we needed.

"At the start of the campaign, if you'd offered us the chance to be top of the group after six games we'd have bitten your hand off.

"We prepared well, we worked hard together we played good football.

"We were under the cosh at times but we battled in every area and I felt we deserved the win in the end."

LIONS HUNT PERFECT 10

England to make history by winning all qualifiers

RECORD BID: England boss Roy Hodgson

By JOHN ANTHONY

ENGLAND can pull off something they have never achieved before — and win all TEN of their Euro 2016 qualifiers.

The Three Lions go into tonight's match with Slovenia on the back of five straight victories in Group E.

Roy Hodgson's men have banged in 15 goals and conceded just one on their fantastic run.

And the Slovenia game is definitely the toughest one England have left.

After that, it's the might of San Marino at Wembley before two more home games against the Swiss and Estonia.

Wins in those would leave England needing to beat Lithuania — who are way off the pace — in their final game.

Proper qualifiers started for the 1958 World Cup and the Three Lions have always dropped points on the way to major finals.

England defender Gary Cahill is the latest player to talk about going unbeaten through the group.

He said: "The results after the World Cup are good — obviously we are unbeaten and we've won every game in our group.

"It would be great if we could get a result on Sunday and go a whole year unbeaten. That is what we are aiming to do."

Hodgson has no injury problems ahead of the match but is likely to make a couple of changes to the side that drew with Ireland last weekend.
